# THANK YOU FOR YOUR PATIENCE!

As we prepare for our full Kitchen Remodel we appreciate your patience with our limited menu!

Pub85 is becoming Pogacha's Pub85!

We're tearing out our entire kitchen, including plumbing and electrical, and expanding too! You can look forward to a Custom Made Wood Fired Oven to welcome in our delicious Pogacha Pizzas, fresh dough and bread made from scratch daily, dressings and sauces made from scratch as well, and fresh Pasta too!

So what's a Pogacha you ask??

The name "Pogacha" is a Croatian term referring to a "soft, chewy flatbread" (pogaca) native to Croatia.

Our Pogacha's are freshly made twice daily, formed by hand, and baked in our wood-fired oven to form our Pizzas as well as formed into our Sandwich Bread and Rolls.

We feature a Northwest menu with the added flair of the Adriatic, fresh herbs started from seedlings in the family garden in Croatia, all dressings and sauces made from scratch, in-house, and a terrific selection of Spirits and Draughts

On behalf of all of our Pogacha Family we look forward to not only serving you today but welcoming you to Pogacha's PUB85

ZIVIO!
